Van Tour is an ultimate road trip. A van packed with mates and with as many destinations as you can fit in, it is one big reason to pack your bags to Europe. Be it on the doorstep of Italy's ancient cities, Switzerland mountains, Portugal's surf, Spain's crazy festivals, lovely Scottish drives or Ireland's Wild Atlantic Way, stopping off at festivals, big gigs, hot surfing spots or cool cities our Chauffeured Van Tours roll out everything into one epic journey.

Van Tour's are an affordable alternative to coach tours or seat in coach tours for small families or group of friends. A private van tour offers the comfort, privacy and intimacy with the convenience of time, photo stops, opportunity to explore the unexplored places and perfect driver cum guide and friend. Our van fleet consists of Mercedes V Class and Renault Traffic and can hold up to 8 passengers. Our experienced drivers have crisscrossed each and every city of Europe and know the best places which you are definitely going to miss while travelling in coach tours. Van Tours also helps you decide your own choices for sightseeing and restaurants and itineraries can be tweaked even at the last minute.

One of our travelers says:

"We saw Europe in the best light, in a van, waking up at a beach, or in the middle of a city, driving beside the Rhein, next to a canal, on a car ferry, meeting the locals or other travellers. That is the real Van Tour."
